BEST FOOTBALL LEAGUE RUNNING

by Adam Sadler

Ninth round of the biggest English football league – Premier League took place this weekend and it's been crazy. In the Premier League there are 10 matches every week between the best football clubs in England. Every team has to play against every 19 other teams, and they have to play against each other two times. After 9 rounds, the club named Tottenham Hotspur – so called “Spurs” is in the top of the league. They have won seven of their nine matches and drew two of them. Their best scorer is Son Heung-Min with 7 goals. Best scorer, all over the league is currently Erling Haaland – he scored 9 goals in just 9 matches, he was also the best scorer last season, so it isn't that surprising. After Tottenham there are four other clubs which are fighting for the lead, second and third place in the league is between Manchester City and Arsenal with both of them having two less points than Spurs. Fourth place in the league belongs to Liverpool and in fifth place is Aston Villa – that is a bit surprising because no one expected Aston Villa to play like this in the league.

Last week rugby championship took place and new record was set. Professional rugby player Jáša Bartoníček scored 70 points in one game. Sadly they still lost the game.

Jáchym plays for Olymp Horoměřice but he's already received many offers from worldwide known clubs such as Bordeaux-Bègles or Clermont, but he rejected them all because he is loyal to his city of birth.

MOVIE REVIEW

KILLERS OF THE FLOWER MOON

by Anton de Štolle

THE ULTIMATE TRAVEL GUIDE TO ASIA

New movie from one of the best worldwide directors has been released on October 20th and it's amazing. Directed by Martin Scorsese, starring Leonardo DiCaprio and Robert De Niro. The movie is based on the 2017 book by the same name written by David Grann.

The movie is about an Indian nation which got rich thanks to oil finds in their reservation, and the whites trying to steal their money.

Even though the movie is almost 3 and a half hours long, there was always something happening. It was pretty movie and emotional but there were some funny parts as well.

WRITER'S OPINION

I'd say it was a really good movie and I wouldn't be surprised if it won an Oscar this year.
